For Your Convenience

We are accepting mixed recyclables. It is no longer necessary to separate recyclables into separate bins. All of the recyclable materials listed below can be mixed together.

We send all of the recyclables that are collected at this facility to **Borden Waste-Away Recycling Facility in Elkhart, Indiana** for processing through their Material Recovery Facility

Newspaper	#1 Plastic (Water/Soda Bottles)
Magazines	#2 Plastic (Milk/Soap Bottles)
Office Paper	Aluminum Cans
Mail	Glass Food & Beverage Containers
Cardboard	Tin Cans

We continue to accept motor oils, antifreeze, batteries & books in separate bins as we always have.
